Tips for Success

1. Be consistent: Try to fill out your journal every day, even if it's just for a few minutes.
2. Focus on the specifics: Instead of just saying 'I'm grateful for my family,' write down a specific thing you appreciate about them.
3. Don't judge your entries: There's no right or wrong way to express gratitude. Just be authentic.
4. Review your past entries: Take some time each week or month to look back at what you've written. It can be a powerful reminder of how far you've come.
5. Extend your gratitude: Take action on your feelings of gratitude. Express your appreciation to the people and things you're grateful for.
