ANSWER KEY

Tst Quz wth Spcl Chrctrs: , ,

1

C) Indo-European

Hindi is part of the Indo-European language family, specifically the Indo-Aryan branch, which also includes languages like Sanskrit, Persian, and English.

2

C) Hanzi

Mandarin Chinese is written using Hanzi, a logographic writing system where each character represents a word or morpheme. Hiragana is used for Japanese, Cyrillic is used for Russian, and Hangul is used for Korean.

BONUS ANSWER:

It means that the language has no demonstrable genetic relationship to any other known language, living or dead.
