Notes & Thoughts

"In daily life, we must see that it is not happiness that makes us grateful, but gratefulness that makes us happy. - Albert Clark"

Tips for Success

1. Make it a habit: Dedicate the same time each day to journaling.
2. Be specific: Avoid generic statements. Focus on details and specific events.
3. Reflect honestly: Allow yourself to truly feel and acknowledge your feelings.
4. Stay consistent: Even on difficult days, find something small to appreciate.
5. Review regularly: Periodically look back at past entries to appreciate your growth and blessings.
